Dear Mr. Salazar:

On behalf of our community based nonprofit organization, we greatly appreciate your assistance with our affordable housing project in Holtville.

Our open house event on May 24<sup>th</sup> was well attended by both local officials and the media. More importantly we had the opportunity to celebrate the (18) new homeowners that day.

We greatly valued your expertise in your extensive outreach and we had several nice articles with photos in the local newspapers plus television coverage with KSWT-TV.

Thank you for your valuable contribution to this special event.

Sincerely,

  
Jose Lopez  
Executive Director
